

# SMART MARKETPLACE TECHNOLOGIES

VQ Labs enables you to grow your business with the state-of-the-art technology.

## Launch Your Customized Marketplace

Build your own customized online marketplace and connect your customers in one platform with VQ-Marketplace.

We enable your users to interact in a platform with minimum effort.

### **Entrepreneurs:**

Do you have a great idea for the next big thing? We can team up with you and provide both technology for your startup and as well as years of experience in Sharing Economy solutions in C2C and B2B.

### **Enterprise:**

You want your business to go online? Bring your clients together in an online platform, increase your business' presence and get more conversion.

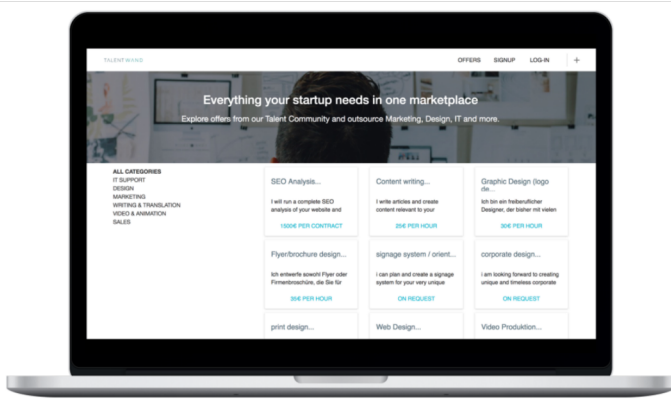

## Solutions For Sharing Economy

Two-sided marketplace allows you to bring your users - sellers and buyers - together in one platform. Our expert team delivers a robust and seamless solution for our client's specific business. VQ-Marketplace offers solutions for C2C (peer-to-peer), B2C & B2B. We support several types of online marketplaces from buying and selling product/service and rentals to event bookings.

## Why VQ-Marketplace?

We provide you with a scalable technology that allows you a quick set up and configuration which will speed your time-to-market.

# Showcase
